"Let what you heard from the beginning abide in you."

- 1 John 2:24

How can we hold onto assurance of our faith? How can we discern the truth from a lie? How can we know God loves us? In these three short letters, the apostle John reminds an early church facing division, deception, and doubt to hold fast to what they know and to live like they believe it. And he reminds us, as well. Jesus abides in you. Abide in Him.

In this 10-session Bible study, Jen Wilkin helps us see how two thousand years later, John's words challenge us to recall our great salvation and to abide in the truth. We will be delving into the apostle's powerful message of assurance, truth, and abiding in Christ.
